ABB

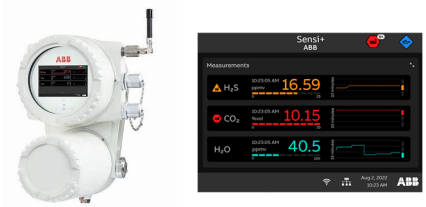
ABB Sensi+ Cutting Edge TDL Laser H20, H2S, CO2 and O2 Gas Analyzer.#



Additel

CE Approved digital gauges, test pumps, automatic calibrators, test hoses and fitting kits

A+ geniefilters.com

Genie® Sampling System components GPR & GP2 probes and membrane separators and filters

C5 Process Group

Indirect Heaters, Separators, Filter Separators, Glycol Dehydration & Mol Sieve Dehydration systems, Heater Treaters, H2S and CO2 plants

CARSONITE® COMPOSITES

Fiberglass and round pipeline markers, pipeline signs and decals, Cathodic test stations

CVS Controls Ltd.

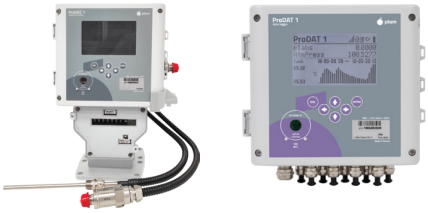
ET, EWT Globe style & segmented ball type control valves

CATCO CATALYTIC HEATERS COMPANY

FM/CSA Approved catalytic heaters, instrument gas heaters, pipeline packs and enclosures

plum®

ProVec1 Index and Remote Mounted Volume Correctors, ProDat1, Mac-R6-Z0-P Pressure Monitors.



FITOK

Dual Fractional Ferrule tube fittings, pipe fittings, tubing valves, quick connectors, hoses, sample cylinders

GLOBAL power technologies

Thermoelectric generators, TEG and Solar Hybrid EZ Air compressed air systems, MX off grid power generators#

Representative in Michigan, Kentucky, SW Ohio and Indiana.

Product Lines

FMG Flow Meter Group

1.5M—56M, 1-1/2”- 8”, ANSI 150# and 300/600# cartridge style rotary meters, mechanical and index drive options. Test Benches/provers.#

Sureshot, Orifice Meter, Trueshot, LPM-zd ultrasonic meters, available in 2”- 36” line sizes, ANSI 150-2500#, Easy to use software, 6 path design API & AGA compliant.

KEROTEST 100

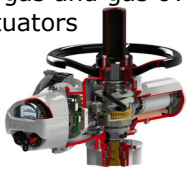
Model-1® steel gate valve, Polyball® polyethylene valves, steel ball valves, manifold valves, Innogaz® Electrofusion, Zunt Insulating Joints

LESER The-Safety-Valve.com PREFERRED RESELLER

Leser ASME Code relief valves, pilot operated and spring operated, snap and modulating designs.

rotork® Fluid Systems and Controls Division

IQ3 electric, CP/GP pneumatic actuators, direct gas and gas over oil actuators



rotork® Process and Instruments Division

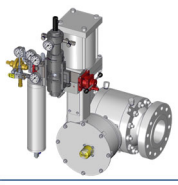
CVA and CMA high resolution control valve actuator, K-Tork® vane actuators, Soldo® position transmitters and switch boxes & Fairchild® PAX-1 and I-P

rotork® Gears Division

Gears and stem extensions for valves vane actuators#

VRG CONTROLS

VRG Non Venting VPC Pilot Controllers, VMO Manual Control Valves, Globe and Rotary Style Control Valves, ST1-ST4/5 Stealth® quite trim control valves#



VRG CONTROLS

Zero Emission EH Control Valves

Pietro Fiorentini®

Norval® direct acting & Aperflux® pilot operated flexible element, Reflux®-Reval® plug & seat top entry high performance regulators and slam shut valves

Pietro Fiorentini®

FE, FEX and Cirval® residential and commercial regulators#

Shawndra Products, Inc. makers of SparksFilters™

Dry gas and coalescing filters, ANSI 150#-900# replacement elements for all manufacturers.#

Product Lines

MUSTANG®

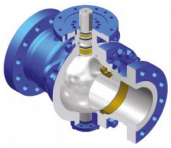
Pony and Mustang Sample Conditioning Systems, Analyzer Distribution Panels, Heated Regulators#

Rupture Pin Technology

Rupture Pin and Buckling Pin ESD valves, relief valves and safety shutoff valves#

Premium Valve Distributor

Orbit, WKM 370D6 & Perar API-6D, Ball Valves, Wheatley Check Valves, Franklin Double Block & Bleed Plug Valve, API-6D



SHELTER WORKS

Pre-engineered molded fiberglass buildings and enclosures. Turnkey shelter applications#

RED OX

Pilot Operated Natural Gas and Liquid Regulators

Premium Valve Distributor

Wheatley Check Valves, and G&C Plug Valves

slb

GALLI&CASSINA Plug Valves SINCE 1919

Shalepack®

RTU and Analyzer Buildings

ENDURO PIPELINE SERVICES, INC.

Enduro pipeline pigs, disc, caliper, foam, brush and cup designs and Pig Popper® pig signal devices.#

ZEGAZ instruments

Z4000 and Z5000 Stationary & Portable Hydrocarbon Dewpoint Analyzers#

New Star Flow Control

Angle body and disc type chokes with manual or automated controls.#

WEAMCO

Vertical basket strainers, Tee strainers, temporary cone strainers, meter provers, corrosion coupons.#
